

PROFESSIONAL PRESENTATION

We cannot sell poorly presented work, no matter how fine the work may be. Unprofessional framing, uneven mounting, dirty mats, chipped frames, etc., reflect negatively on our gallery and on our Artist Members.

Please carefully inspect your finished work prior to submission to ensure your artwork is in compliance with the Professional Presentation requirements of the Gallery.

- Frame – Clean & Undamaged; no dents, scratches
- Glass/Plexiglas – Clean; no cracks, chips or scratches
- D-Rings w/Taut Wire; Wire edges and screw heads taped – see [hanging instructions](#)
- Mat/Canvas – Clean; No Debris/Stains
- Backing – Secured appropriately (*Not Taped*)
- Unframed artwork – canvas sides must be painted with no staples or tape showing

Art cannot be accepted if it is not in compliance with the Professional Presentation quality requirements. SFWA reserves the right to refuse artwork at our own discretion.
